THE LOCATION

Langkawi is an archipelago made up of 99 islands on Malaysia's west coast. Surrounded by turquoise sea, the interior of the main island is a mixture of picturesque paddy fields and jungle-clad hills. Nature lovers will find the island just as agreeable as the shoreline is fringed by powder-fine sand and swaying coconut trees. The island is especially recognised for its excellent diving opportunities and this tropical gem hides a treasure trove of other exciting holiday opportunities. From the exciting Underwater World Langkawi along Pantai Cenang to the soaring Cable Car in Pantai Kok, Langkawi is an electrifying locale that keeps visitors coming back for more

2ND ANNOUNCEMENT

39th MALAYSIAN SOCIETY

of ANIMAL PRODUCTION annual conference

and:

5th ASEAN Regional Conference on Animal Production (ARCAP)

LIVESTOCK PERSPECTIVES

SHAPING PATH FOR THE FUTURE

Organized by:

26th-28th November 2019

Dayang Bay Langkawi,
Langkawi, Kedah
MALAYSIA

online registration starting 31st May 2019 at:
www.msap.my

The Malaysian Society of Animal Production (MSAP) is delighted to invite you to attend the 39th Malaysian Society of Animal Production Annual Conference in conjunction with the 5th ASEAN Regional Conference on Animal Production (ARCAP5) in Langkawi, the jewel of Kedah from 26th - 28th of November 2019.

The theme of the conference is 'Livestock perspectives: Shaping the path for the future' that focuses on topics in line with the Global Industrial Revolution 4.0. With food security in mind, the world need to industrialize livestock farming systems to take benefit of recent technologies related to the digitalization era to increase the yield. The conference will cover all aspects of scientific findings within animal production, including nutrition, genetics, management, health and welfare as well other related livestock farming aspects. Speakers include both local scientists, and international invitees. Issues like animal welfare, global climatic change, halal feeds, information technology, conserving indigenous resources, and green technology will be discussed. Besides the scientific part of the conference, there will be scientific excursions and organised trips to tourist recreational destinations in the well-known Langkawi Island. Your registration fee also include a conference dinner, lunch and morning and afternoon teas. More information about the MSAP and ARCAP5 conference and its activities can be found at www.msap.my. We hope to see you in Langkawi!
